MISSION STATEMENT

Freeburg CCSD #70 is committed to challenging all students to meet or exceed proficiency levels necessary for academic and social success through the combined efforts of family, faculty, and community in a safe, healthy, and nurturing environment. To this end, the district has established the rules, procedures, and practices outlined in this handbook.

TITLE I

Title I of the No Child Left Behind Act is the largest Federal Aid Program to education. The basic aim of this legislation is to provide supplemental education opportunities for those children needing extra help in order to succeed independently in the regular classroom. We presently offer a Title I program in Reading, Language Arts, and Math. A combination of Test scores, teacher recommendation, and parent-referral determine a child's eligibility.

TITLE IX COMPLIANCE

It is the policy of Freeburg District #70 not to discriminate on the basis of sex, sexual orientation, or gender identity in its educational programs, activities, admission, practices, and employment policies as required by Title IX of the Educational Amendments of 1972.

Non-Discrimination/Title IX/Section-504 Coordinator: Superintendent

Questions and/or complaints in reference to educational opportunities may be directed to the Superintendent at Freeburg CCSD#70, 408 South Belleville Street, Freeburg, IL 62243

Freeburg CCSD#70 ensures equal educational opportunities are offered to students regardless of race, color, national origin, age, sex, religion, status of homeless, or handicap.

DISCLAIMER

This handbook is not intended to create a contractual relationship with the student or his/her parents/guardians. It is intended to describe the school's current practices, procedures, rules, and regulations. It is not possible to identify every action that might result in student consequences. This policy is a guideline and administrators have the authority to make decisions outside of what is written. The Board's comprehensive policy manual is available for public inspection through the District's website: <https://frg70.org> or at the district office located at 408 South Belleville Street, Freeburg, IL 62243.

THIS HANDBOOK SERVES AS A SET OF PROCEDURES AND GUIDELINES FOR ALL STUDENTS AND FAMILIES WHO ATTEND FREEBURG DISTRICT #70:

ES = ELEMENTARY SCHOOL

PC = PRIMARY CENTER SCHOOL

STUDENT AND PARENT RIGHTS AND RESPONSIBILITIES

The Board recognizes its obligation to provide the best intellectual, emotional and physical environment in the school so as to foster the maximum growth of each pupil. In turn, students shall be expected to accept their responsibilities in the educational process by demonstrating behavior and a social conscience consistent with the standards of good citizenship in a democratic society. All students are expected to abide by all laws of our local, state and federal governments. Any student found in violation of any law and which is not listed in this school's rights and responsibilities shall be turned over to the proper authorities.

PARENT/STUDENT/SCHOOL COMPACT

A section of Title I regulations requires that a voluntary agreement between the home and school be developed. This agreement will outline how parents, staff and students will share responsibility for improving student achievement. The law requires this compact between the school and parents be signed and turned in when student enters Freeburg District #70. It will be kept on file until the student graduates.

SAFE SCHOOL ZONE

Freeburg CCSD #70 has been identified as a Safe School Zone. "Safe School Zone" means an area that encompasses any of the following places during regular school hours or within 60 minutes before or after the school day or 60 minutes before or after a school-sponsored activity. This shall include any school property, ground, or street, sidewalk, or public way immediately adjacent thereto and any public right-of-way situated immediately adjacent to school property. The Safe School zone shall not include any portion of the highway not actually on school property, as well as on school buses.

STUDENT ONLINE PRIVACY PROTECTION ACT (SOPPA)

Freeburg CCSD #70 leverages the Student Data Privacy Consortium (SDPC), which is a unique collaborative of schools, districts, regional, territories and state agencies, policymakers, trade organizations, and marketplace providers addressing real-world, adaptable, and implementable solutions to growing data privacy concerns. If you would like to read more about the SDPC or learn more about what steps are taken by FCCSD #70's to ensure our students' data privacy is protected, visit the district website at <https://www.frg70.org>.

SECTION I – GENERAL INFORMATION

ANNUAL REPORT CARD

Each year, the district is required to disseminate an annual report card that includes information on the District as a whole and each school served by the District, with aggregate and disaggregated information for each required subgroup of students including: student achievement on academic assessments (designated by category), graduation rates, district performance, teacher qualifications, and certain other information required by federal law. When available, this information will be placed on the District's website at <https://frg70.org>.

ANIMALS ON SCHOOL PROPERTY

In order to assure student health and safety, animals are not allowed on school property, except in the case of a service animal accompanying a student or other individual with a documented disability. This rule may be temporarily waived by the building principal in the case of an educational opportunity for students, provided that (a) the animal is appropriately housed, humanely cared for, and properly handled, and (b) students will not be exposed to a dangerous animal or an unhealthy environment.

ASBESTOS NOTICE

In accordance with federal and state laws, Freeburg CCSD #70 has been inspected to determine the location and condition of asbestos-containing materials and has developed an asbestos management plan to remove, repair, or maintain asbestos-containing materials as needed to protect the health of students and staff members. A copy of the district's plan is available for inspection.

ACCEPTABLE USE POLICY

Each student and parent/guardian must read, understand and sign a Student Computer and Internet Usage form outlining the rules of computer usage at Freeburg CCSD #70. These forms must be turned in at registration. Violation of these rules may result in suspension of computer privileges or disciplinary action by the school.

ASSESSMENT TRANSPARENCY

The state and district require students to take certain standardized assessments. The district currently uses FastBridge as part of their district screening and benchmarking process, IAR for statewide assessments, and other curriculum assessments as student assessment tools.

AWARENESS AND PREVENTION OF CHILD SEXUAL ABUSE, GROOMING BEHAVIORS, AND BOUNDARY VIOLATIONS

Child sexual abuse, grooming behaviors, and boundary violations harm students, their parent/guardian, the District's environment, its school communities, and the community at large, while diminishing a student's ability to learn.

CLOSED CAMPUS

Freeburg CCSD #70 has a closed campus. Once a student arrives at school he/she is not permitted to leave the campus without special permission or unless the school day has ended.

DISTRIBUTION OF NON-CURRICULAR LITERATURE

Requests to distribute non-school related literature on school property should be addressed to a building administrator. Requests may be denied if the literature is determined to be of an inappropriate nature or contain material that might be offensive to potential recipients.

ENGLISH LEARNERS

The district offers opportunities for student English learners to achieve at high levels in all aspects of their school life. Parents/Guardians of English learners will be informed how they can be active partners in their children's education. For questions regarding this program, contact the district office.

EQUAL OPPORTUNITY AND EQUITY

Equal educational and extracurricular opportunities are available to all students without regard to race, color, nationality, sex, sexual orientation, gender identity, ancestry, age, religious beliefs, physical or mental disability, status as homeless, or actual or potential marital or parental status, including pregnancy.

No student shall, based on sex or sexual orientation, be denied equal access to programs, activities, services, or benefits or be limited in the exercise of any right, privilege, advantage, or denied equal access to educational and extracurricular programs and activities.

Any student or parent/guardian with equal opportunity and/or equity concerns should contact the Superintendent.

ELEMENTARY PROGRAM K-8

The elementary program provides each student with a foundation in the basic skills areas of Language Arts, Math, Science, and Social Studies. It also offers opportunities for learning and creative expression in art, music, writing, and tech while providing developmental experiences in physical education and health. Teachers develop programs that utilize innovative teaching methods, different grouping techniques, use of textbooks, technology, and many other instructional materials. The elementary school is a place where children should experience success and develop a good self-concept as well as learn to accept others as equal human beings. Home and school should cooperate to achieve this goal. Parents should not feel reluctant to contact school personnel about any problem that effects the child's adjustment to school.

EMERGENCY FORM

Each student has filled out the emergency form on Teacherease. Please help us keep this information current by notifying the office of any changes in names, addresses, telephone numbers, or emergency numbers.

EMPLOYEE CODE OF PROFESSIONAL STANDARDS

All District employees are expected to maintain high standards in their job performance, demonstrate integrity and honesty, be considerate and cooperative, and maintain professional and appropriate relationships with students, parents/guardians, staff members, and others.

Professional and Appropriate Conduct

Professional and appropriate employee conduct are important Board goals that impact the quality of a safe learning environment and the school community, increasing students' ability to learn and the District's ability to educate. To protect students from sexual misconduct by employees, and employees from the appearance of impropriety, State law also recognizes the importance for District employees to constantly maintain professional and appropriate relationships with students by following established expectations and guidelines for employee-student boundaries. Many breaches of employee-student boundaries do not rise to the level of criminal behavior but do pose a potential risk to student safety and impact the quality of a safe learning environment. Repeated violations of employee-student boundaries may indicate the grooming of a student for sexual abuse. As bystanders, employees may know of concerning behaviors that no one else is aware of, so their training on: (1) preventing, recognizing, reporting, and responding to child sexual abuse and grooming behavior; (2) this policy; and (3) federal and state reporting requirements is essential to maintaining the Board's goal of professional and appropriate conduct.

The Superintendent or designee shall identify employee conduct standards that define appropriate employee-student boundaries, provide training about them, and monitor the District's employees for violations of employee-student boundaries. The employee conduct standards will require that, at a minimum:

1. Employees who are governed by the *Code of Ethics for Illinois Educators*, adopted by the Ill. State Board of Education (ISBE), will comply with its incorporation by reference into this policy.

2. Employees are trained on educator ethics, child abuse, grooming behaviors, and employee-student boundary violations as required by law and policies 2:265, *Title IX Sexual Harassment Grievance Procedure*; 4:165, *Awareness and Prevention of Child Sexual Abuse and Grooming Behaviors*; 5:90, *Abused and Neglected Child Reporting*; and 5:100, *Staff Development Program*.
3. Employees maintain professional relationships with students, including maintaining employee-student boundaries based upon students' ages, grade levels, and developmental levels and following District-established guidelines for specific situations, including but not limited to:
 - a. Transporting a student;
 - b. Taking or possessing a photo or video of a student; and
 - c. Meeting with a student or contacting a student outside the employee's professional role.
4. Employees report prohibited behaviors and/or boundary violations pursuant to Board policies 2:260, *Uniform Grievance Procedure*; 2:265, *Title IX Sexual Harassment Grievance Procedure*; and 5:90, *Abused and Neglected Child Reporting*.
5. Discipline up to and including dismissal will occur for any employee who violates an employee conduct standard or engages in any of the following:
 - a. Violates expectations and guidelines for employee-student boundaries.
 - b. Sexually harasses a student.
 - c. Willfully or negligently fails to follow reporting requirements of the Abused and Neglected Child Reporting Act (325 ILCS 5/), Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 *et seq.*), or the Elementary and Secondary Education Act (20 U.S.C. § 7926).
 - d. Engages in *grooming* as defined in 720 ILCS 5/11-25.
 - e. Engages in grooming behaviors. Prohibited grooming behaviors include, at a minimum, *sexual misconduct*. *Sexual misconduct* is any act, including but not limited to, any verbal, nonverbal, written, or electronic communication or physical activity, by an employee with direct contact with a student, that is directed toward or with a student to establish a romantic or sexual relationship with the student. Examples include, but are not limited to:
 - i. A sexual or romantic invitation.
 - ii. Dating or soliciting a date.
 - iii. Engaging in sexualized or romantic dialog.
 - iv. Making sexually suggestive comments that are directed toward or with a student.
 - v. Self-disclosure or physical exposure of a sexual, romantic, or erotic nature.
 - vi. A sexual, indecent, romantic, or erotic contact with the student.

FOOD- TREATS, SNACKS

Due to health concerns and scheduling, treats and snacks for any occasion must be arranged in advance with the classroom teacher. The school acts only as a collection agency for the company and is in no way connected with the insurance company. Optional 24-hour accident coverage can be purchased by the student or parent/guardian. Information regarding Insurance and Sports see **Athletics**

Hallway lockers, PE lockers, and student desks are provided for student use. It is recommended that valuables and money not be kept in unlocked lockers. The district is not responsible for any lost, stolen, or missing items from a school locker or desk.

ES- Students are expected to keep their personal possessions and books in the hallway lockers and their PE clothing in locker room lockers. **OPENED DRINKS AND FOOD ARE NOT TO BE KEPT IN STUDENT LOCKERS.** Students may have bottled water in their lockers. It is the responsibility of the student if items in their locker are damaged. The water must have a cap or lid. It is the responsibility of the student to keep his/her locker in good order. Periodic locker inspections may be held without prior notice. School locks are provided for your use. No outside locks are to be used. Unauthorized locks will be removed at student's expense.

Student lockers and desks are considered property of the school and are subject to search by school officials at any time.

The individual will be required to pay the returned check and the \$30.00 returned check fee.

Disciplinary actions may include, but are not limited to: verbal warning, assigned seating, removal from the cafeteria, or office referral for further consequences.

All students participating in sports must have an annual physical examination to participate.

MEDICATIONS

When a student requires daily or regular medicine, the responsibility for administering such medication rests solely upon the parents/guardians. School employees should not undertake administering medication as a matter of policy; however, school employees must in an emergency situation give first aid including medicine, if necessary.

When a student's licensed health care provider and parent/guardian believe that it is necessary for the student to take medication during school hours or school-related activities, the parent/guardian must request that the school dispense the medication to the child by completing a "**School Medication Authorization Form.**"

MEDICATIONS ADMINISTERED TO STUDENTS

If it is mandatory for a child to take any prescription medication at school, the following procedures should be adhered to:

1. Parents/Guardians must obtain a written order from the child's physician to be left at school before the medication can be given in school. This written order will be kept in the school health file.
2. The parent/guardian will send written permission, the doctor's order, and the medication to the school in order for the medication to be given at school. This permission will be kept in the school health file.
3. The medication must be in the original pharmacy bottle properly labeled by a pharmacist.
4. This medication will be kept in a locked space or container for safe storage. Refrigerated medication will be kept in a secure area.
5. With the parents'/guardians' consent and the physician's order on file, the medication may be given only by Illinois board certified personnel and/or qualified medical personnel.
6. A basic record or documentation process will be required by persons administering medication. If the medication is not given, the reason shall be documented and signed.
7. The school district retains the discretion to reject requests for administration of medicine. The school only needs to give those medications, which are necessary to maintain the child in school.
8. All permission for long-term medication must be renewed annually. Changes in medication must have written authorization from the child's physician.
9. The parent/guardian will be responsible at the end of the treatment period for removing from the school any unused medication. If the medication has not been picked up by the end of the treatment period, the medication will be disposed of and documentation made in the student's health file.

MEDICATIONS - STUDENT SELF-ADMINISTRATION OF MEDICATION

A student may possess and self-administer an epinephrine injector (e.g., EpiPen®) and/or an asthma inhaler or medication prescribed for use at the student's discretion, provided the student's parent/guardian has completed and signed a "**School Medication Authorization**" Form.

- Students who are diabetic may possess and self-administer diabetic testing supplies and insulin if authorized by the student's diabetes care plan, which must be on file with the school.

A student's parent/guardian must indemnify and hold harmless the school district and its employees

and agents, against any claims, except a claim based on willful and wanton conduct, arising out of a student's self-administration of an epinephrine injector, asthma medication, and/or a medication required under a qualifying plan.

2. Written authorization from the student's parents/guardians for the student to self-administer the asthma medication. Also, a written statement from an authorized health care professional stating the name and purpose of the medication; the prescribed dosage; and times that the medication is to be administered.
3. A written statement from the school district to the parents/guardians notifying them that unless the school district, its employees, and its agents are found to have engaged in willful and wanton conduct, they will not be held liable for any injury resulting from the student's self-administration of asthma medication.

NOTICE OF ACCOMMODATIONS DURING SCHOOL SPONSORED EVENTS FOR INDIVIDUALS WITH DISABILITIES

Parents/Guardians/Visitors/Students with disabilities that need assistance may arrange for accommodations prior to the event that they want to attend by contacting the **ES office** at 539-3188 between the hours of 8:00 a.m. and 4:00 p.m. This notification should occur as far in advance as possible of the school-sponsored function, program, or meeting. Areas will be provided as reasonably as possible at extra-curricular activities to accommodate persons in need. Reserved parking for persons with disabilities is available in the parking lot in the north parking lot across from the library.

NOTICE OF RIGHTS FOR INDIVIDUALS WITH DISABILITIES

State and Federal Legislation require a free and appropriate education for all children with disabilities between the ages of 3 and the day before their 22nd birthday for whom it is determined that special education services are needed. To meet these requirements, Freeburg CCSD #70 provides special education programs and related services that are provided at public expense, meet State Board and Federal regulations, and conform to the Individualized Education Program (IEP). Parents of these students are entitled to procedural safeguards, including notice and an impartial hearing. Students with disabilities who do not qualify for an individualized education program, may qualify for services under Section 504 of the federal Rehabilitation Act of 1973.

NOTIFICATION OF SEX OFFENDER REGISTRY INFORMATION

Public Act 94-994, effective January 1, 2007, requires principals or teachers of public or private elementary or secondary schools to annually notify the parent/guardians of children attending the school that information about sex offenders is available to the public as provided in the Act. Information may be accessed through the Internet at www.isp.state.il.us/sor/

PARTIES

Any treats provided at school parties are to be purchased from an approved food vendor, or must still be in the original and unopened container(s). **Please communicate at least one day in advance** with the teacher if treats will be provided. The school will host classroom holiday parties throughout the school year for grades K-4. *Parent volunteers may be asked to assist with the classroom parties but on a limited basis.* Volunteers are required to fill out the "Volunteer Information" form. On the day of the event, volunteers must check in and out at the main office and receive a visitor badge before going to their destination.

PARTY INVITATIONS

Party invitations or gifts for classmates should not be brought to school to be distributed. Items such as these are of a personal nature and should be mailed home. The office is unable to release addresses and phone numbers of students who are not listed in the school directory.

PEST MANAGEMENT PLAN

Freeburg CCSD #70 contracts a pest management plan with applications made after-school hours at the end of each month. Parents/guardians must notify the school if their child has any allergies to pesticides. This policy complies with the law passed in 1999 requiring that public schools notify parents at least 48 hours prior to the application of pesticides on school property. Excluded from this notification requirement are disinfectants, sanitizers, and insecticide and rodenticide baits. Although we have no intention of spraying or fogging with pesticides during the school day when students are in attendance, we are creating a voluntary registration. Contact the school office if you are asking to be notified two days before an airborne pesticide application. In the event of an extreme emergency where pesticides must be used immediately, we will notify you as soon as possible.

PROTECTIVE EYE DEVICES

Protective eye devices shall be required to be worn by all students, teachers, and visitors when participating in or observing dangerous vocational arts and chemical or combined chemical-physical labs involving caustic or explosive chemicals or hot liquids or solids.

SAFETY DRILL PROCEDURES AND CONDUCT

Safety drills will occur at times established by the school board. Students are required to be silent and shall comply with the directives of school officials during emergency drills. There will be a minimum of three (3) evacuation drills, a minimum of one (1) severe weather (shelter-in-place) drill, a minimum of one (1) law enforcement lockdown drill to address a school shooting incident, and a minimum of one (1) bus evacuation drill each school year. There may be other drills at the direction of the administration.

SCHOOL CLOSING/EMERGENCIES

In cases of bad weather and other local emergencies, an announcement will be made over the TeacherEase School Messenger system. It is important that an updated contact phone number is on file for the student's parent/guardian. Additional information regarding the closing will also be found on the district website and/or Facebook. All school closings or early dismissals will be announced using these media outlets.

If we dismiss early for an emergency, all after-school functions are automatically canceled.

SCHOOL RECORDS

An accurate cumulative record shall be maintained for each student enrolled in the public schools. Students' records are in two categories: permanent and temporary. Permanent records consist of basic identifying information, academic transcript, attendance record, health record, extracurricular information, and release of record information. Temporary records consist of family background information, intelligence and aptitude test scores, achievement test scores, and discipline reports. Permanent records will be maintained for not less than 60 years. Temporary records will be maintained for no less than one year after graduation and/or permanent withdrawal. No one but authorized school personnel, pupils, parents and legal guardians shall have access to the cumulative record without a subpoena or the written permission of the student or his parents. Parents, guardians, and students have the right to inspect the student's school records. Access shall be given within a reasonable length of time after the request has been made. Copies may be made upon request at a charge not to exceed 25 cents per copy.

The parents/guardians of the student must give written consent before the school releases a student's record. However, a release of records without parental notice or consent could be made due to an emergency release of personally identifiable information from education records to provide for release of information in medical health or safety emergencies.

The school may release student "directory information" to such entities as colleges, the military, other schools, etc. Directory information includes information such as name and address, telephone number, date and place of birth, participation in sponsored activities, weight and height of members of athletic teams, attendance period in the school, awards received, previous schools attended, etc.

However, a student, parent, and/or guardian have the right to deny publication of the above mentioned information by contacting school officials. Parents/guardians shall be afforded an opportunity for a hearing to challenge the contents of the student's permanent record to ensure the information is accurate or appropriate.

When a student reaches the age of 18, the parent/guardian no longer has any right to the student's records. The student may regulate his/her own record.

NOTIFICATION OF DESTRUCTION OF STUDENT RECORDS

The Principal shall be charged with keeping student records. Permanent student records shall be maintained until such time as proper notification of destruction of student records has been met. Proper notification includes:

1. Written approval of the Local Records Commission is obtained.
2. Notify the student's parents/guardians and student of impending action.
3. A thirty-day notice placed in the newspaper of impending action.

STUDENT FEES/ WAIVER

A textbook and chromebook/technology rental fee of \$80 per year (PC) and \$85 per year (ES) shall be charged to all students. Additional fees may be charged in certain classes to defer additional costs for extra materials as necessary. Students are responsible for the replacement costs for the loss of items such as: padlocks, PE athletic equipment, textbooks, laptops, library books, and workbooks. *Extra-curricular fees will be assessed per sport: See Extra-Curricular Fees.*

Parents/guardians who meet the guidelines for, or feel they may meet the guidelines for, the free/reduced lunch program

may apply for a fee waiver regarding book rentals. To be eligible for the fee waiver, application must be made at the beginning of the school term.

TELEPHONE INFORMATION

Office telephones are maintained for school communication. Plans regarding student pick up and social events should be made before the school day begins. Students will NOT be allowed to use the phone to make after-school plans. Parents or guardians who need to contact a student for an emergency during the day should call the office with the message. Office staff will not interrupt classrooms for individual student messages, so parents are encouraged to make all after-school arrangements with their child prior to school. In the event a phone call is necessary, students may use the phone only with specific permission of a staff member or administrator and may be required to sign the student call log. Students may use the phone in the office for school related business only. Students' cell phones are NOT to be used to communicate with parents during school hours. If there is a change in student pick-up for after school, please notify the office by 1:00 p.m. *Students are not allowed to change bus stops – see Bus Regulations for more information*

VIDEO AND AUDIO MONITORING SYSTEMS AND ENTRY BUZZER

A video and/or audio monitoring system may be in use on school vehicles and a video monitoring system may be in use in public areas of the school building. These systems have been put in place to protect students, staff, visitors and school property. If a discipline problem is captured on audiotape or videotape, these recordings may be used as the basis for imposing student discipline. If criminal actions are recorded, a copy of the tape may be provided to law enforcement personnel. Only individuals authorized by the Superintendent, other district administrator's or designee of the Superintendent may view surveillance tapes.

All exterior doors will remain locked at all times during the school day.

VISION AND HEARING SCREENING

The State of Illinois mandates that students in grades K, 2, and 8 be screened for vision, and students in grades K, 1, 2, and 3 be screened for hearing. In addition, all new students and students receiving special education services must be screened. Teachers or parents of students in any other grade level may, at any time during the school year, request that any student be screened.

VISITORS

Parents/Guardians are always welcome at Freeburg CCSD #70. To preserve the rights of all students, parents/guardians must request prior approval from the teacher before observing in a classroom. If approval is obtained, the visitor to the building must report to the office immediately and receive a Visitor's Badge. Before leaving the building, the visitor should again report to the office as notification of their leaving.

Any person wishing to confer with a staff member should contact that staff member to make an appointment. Conferences with teachers are held, to the extent possible, outside school hours or during the teacher's preparation period.

Visitors are expected to abide by all school rules during their time on school property. A visitor who fails to conduct himself or herself in a manner that is appropriate will be asked to leave and may be subject to criminal penalties for trespass and/or disruptive behavior. All visitors to campus are required to follow *Board Policy 8:30: Visitors to and Conduct on School Property*.

Volunteers: Parents/Guardians who wish to serve as chaperones, classroom and/or district volunteers must fill out the "Visitor Information" form. All forms are due by September 30 of the current school.

SECTION II - ATTENDANCE

Illinois law requires that whoever has custody or control of any child between six (by September 1st) and seventeen years of age shall assure that the child attends school in the district in which he or she resides, during the entire time school is in session (unless the child has already graduated from high school). Illinois law also requires that whoever has custody or control of a child who is enrolled in the school, regardless of the child's age, shall assure that the child attends school during the entire time school is in session.

Attendance and academic performance are closely related. All students are expected to attend school regularly. Our attendance policy is designed to develop students' punctuality, self-discipline, and responsibility. School is the primary occupation of students, and as in any occupation, attendance is expected. Absences and on-going tardies to school will not be taken lightly.

ATTENDANCE POLICY

Student absenteeism should be kept to a minimum. It is the responsibility of the parents to notify the office each day that the student is absent by 10:00 a.m. The offices will be open at 7:45 a.m. The telephone number is 618-539-3188. Messages may be left 24 hours a day, 7 days a week. Absences must be cleared upon the students return to school or the absence will be unexcused and disciplinary action will be taken. The final determination of an excused absence is decided by the administration and not the parent.

All absences will fall into one of the following categories:

1. Excused Absences
2. Unexcused Absences

ABSENCES – EXCUSED

Absences resulting from illness (including up to 5 days per school year for mental or behavioral health of the student), death in the immediate family, doctor/dentist appointment, family emergencies, religious holidays, or court appearance where the student's presence is required as set forth in the Illinois School Code. Additionally, a student will be excused for up to 5 days in cases where the student's parent/guardian is an active-duty member of the uniformed services and has been called to duty for, is on leave from, or has immediately returned from deployment. The explanation for these types of absences is the responsibility of the parent/guardian.

It is the responsibility of the student to make up all class work missed because of absence for the following:

Absences pre-arranged and approved through the office - Students should make prior arrangements for homework assignments that they will miss due to a pre-arranged absence. Failure to complete any assignment in the time designated by each individual teacher may result in a zero for that assignment. Students with a pre-arranged absence must obtain their work ahead of time. All work is due upon return from the absence. This includes doctor's appointments, trips, etc.

Official Absences- This occurs only when a student is representing the school. This includes: field trips, scholastic bowl matches, music activities, club/organization trips, athletic events, extra-curricular activities, etc. **Students will forfeit their right to an official absence if they have two or more unexcused absences per quarter.** Students should make prior arrangements for homework assignments that they will miss due to an official absence. Failure to complete any assignment in the time designated by each individual teacher may result in a zero for that assignment.

Work missed due to excused absences may be made up. A student will be allowed one school day per absence to make up missed class assignments due to an excused absence. Students who are present at school for any part of the day are not eligible for the one-day time period for make-up work. They are expected to take the responsibility to obtain all assignments for that day, with assignments being due at the same time as other students in the class. An extension of time

may be granted at the discretion of the teacher or administration for specific incidences.

Parent/Guardian phone call or note will not automatically result in an excused absence. Excused or unexcused status will be determined based on the above list. **A reason for the absence must be noted or the absence will be unexcused.**

Family vacations must have prior approval from the administration for the absence to be excused. Approval is subject to the administration's discretion whether the absence will be granted excused or unexcused. All work is due upon return from vacation unless prior arrangements were made with the teacher and/or administration.

All Doctor notes/Court notices will only be accepted within 24 hours (one school day) from the date of absence. Failure to comply will cause the absence to be classified as *unexcused*. Students who receive an unexcused absence will be given zeroes in all class work missed.

After the second day of an absence, a parent/guardian must make arrangements to pick up class work. Students should make every attempt to complete work before returning to school.

A report to the teachers will indicate whether the student's absence was excused or unexcused.

E-LEARNING INSTRUCTION

In the event of an emergency, the district has approved 5 E-Learning days that may be used in lieu of emergency days. If these days are utilized, learning will be announced via the TeacherEase Emergency Alert Phone and Email System. Teachers are required to notify either the students or parents by 8:30 a.m. of all assignments that need to be completed. Attendance will be taken using the "Check-In" portal on the TeacherEase system. Students are responsible for work assigned on E-Learning days. Any student who is not "marked present" will be unexcused for the day and work will receive a zero.

ABSENCES AND EXTRACURRICULAR EVENTS

1. Students will not be permitted to **participate or attend** any school activity if they are not in attendance the last half of the school day.
2. Excusable absences such as funerals, dentist and doctor appointments with a doctor's note will be allowed if approved by the administration.
3. Students who are absent in the afternoon because of illness shall not be permitted to **participate or attend** that same evening. If an absence occurs on a Friday, the student will not be allowed to participate in a contest or extra-curricular event for the entire weekend.

ABSENCES - UNEXCUSED

Absences including truancy, or other unjustifiable absences as determined by the administration. Examples are oversleeping, working, missing the bus, car problems, no transportation and babysitting. Unexcused absences are subject to disciplinary action. Students with excessive absences will be reported to the proper authority. *All unexcused absences will result in the student receiving a zero for all missed work.*

ABSENTEEISM - EXCESSIVE

Students shall be permitted **NO MORE THAN FIVE ABSENCES (EXCUSED OR UNEXCUSED) PER SEMESTER.** After the student has five absences (excused or unexcused) in one or more classes during a semester, additional absences may only be excused with a written medical statement from a physician/dentist or notice from the judge. After five absences, the school will notify the parent/guardian by written notice. If a student's absence is verified by a doctor/court excuse (**within the 24-hour reporting period of the absence**) before the student has reached the limit of five days (or classes) of absences, the absence will not count toward the five days permitted by this section. **All doctor's excuses/court notices must be submitted to the office within 24 hours (1 school day) of the student's absence.** All absences that are not classified as excused will be considered unexcused. Absences which are excluded from this policy are mandatory court appearances, religious holidays, medical doctor visits with written verification from the medical facility, funerals (may require

verification), and school sponsored trips, suspensions, and Board approved absences. Exceptions may also be made by the administration for a student with a chronic medical condition with verification from a doctor.

CHANGE OF ADDRESS

Changes in student addresses or phone numbers **must** be reported to the building office immediately.

CREDITABLE ATTENDANCE DAY

Students can only be counted as being in school for a full day when they have a minimum of:

1. 300 instructional minutes for a full day
2. 150 - 299 instructional minutes for a half-day
3. Less than 150 minutes is counted as a full day of absence

LEAVING SCHOOL

Obtaining permission to leave school during the day requires a phone call from the parent/guardian. In case a student becomes ill, the student must secure permission from the office to go to the school nurse. The school nurse will then determine if the student is permitted to go home. The nurse will contact the student's parent/guardian if the student is too sick to remain at school. In no case is a student to leave school during the day without approval and signing out with the office. The sign-in/sign-out sheet must be initiated by a staff member. Students leaving without proper approval will be subject to disciplinary action.

Disciplinary actions may include: detention, removal and/or suspension from extra-curricular activities, alternative classroom placement, in-school suspension, or possibly out-of-school suspension. Parents/guardians will be notified.

RESIDENCY

A legal resident for the purpose of school attendance is defined as: Residing within the boundaries of the school district for any reason other than the sole purpose of attending school. Upon enrollment, students will be required to list their 911 address. Proof of residency will be required of any student, if there is a question of his/her residency. A notarized affidavit of residency may also be required of the student.

The following is a list of acceptable required proofs of residency:

Must provide 1 forms of proof

- ___ Current Lease or Rental Contract (Expiration date: _____)
- ___ Mortgage Statement or Closing Statement (documenting purchase of residence)
- ___ Recent Property Tax Bill (showing address of residence)

Must provide 3 forms of proof

- ___ Military Housing Letter
- ___ Section 8 letter
- ___ Residency Attestation / Lives with Resident Form (Homeowner/Leaseholder must provide required proof of residency)

- ___ Vehicle Registration, Vehicle Title, or Auto Insurance Policy
- ___ Public Aid Card

____ Bank Statement or Credit Card Statement

If it is determined that the student is not a legal resident, or if proof of residency is not provided, that student shall not be permitted to enroll without being charged tuition. Tuition will be based upon the previous year's annual financial report.

SCHOOL HOURS

School will begin at 8:00 a.m. and dismiss at approximately 3:10 p.m. **Children should not arrive at school before 7:45 a.m.** nor remain after the **3:10** dismissal, unless they are attending a school-sponsored activity (i.e. sports or music practice) or are under direct supervision of a staff member.

Only students remaining after school for school-sponsored events or disciplinary action will be allowed in the buildings after dismissal hours.

TARDIES

Students are expected to follow the bell schedule as listed at the front of the handbook. Unexcused tardies will be given for being late for school, a particular class, or leaving school early without just cause. Examples of just cause: dentist or doctor appointment, or a student/teacher conference. Consequences for accumulated tardies **per semester** are as follows:

- First tardy - warning
- Second tardy – warning
- Third tardy and beyond - detention, written notice to parents (see detention policy regarding detention assignments)

ES- Students who fail to report to any class on time without a valid reason are considered tardy. Students arriving after 8:10 a.m. or leaving before 3:00 p.m. are considered tardy and must report to the office before going to class or leaving the building. A student should always report to the office if he/she comes to school after the class day has started.

A detention will be assigned after 3 unexcused tardies and every tardy thereafter, per quarter.

2 TARDIES=ABSENCE

TRUANCY

A student is considered truant anytime he/she is absent all or part of a day without the permission of the student's parents and of the school. Students who leave without approval will be considered as truant. Any unexcused absence from an assigned class or stipulated location shall be considered an act of truancy, unless otherwise specified.

The School District may use the following diagnostic procedures for identifying the causes of unexcused student absences to assist with supporting the student and their families: Interviews with the student, his or her parent/guardian and any school officials who may have information about the reasons for the student's attendance problems. This information will further be shared with the ROE as part of the documentation process.

The School District may offer the following support services to assist a truant and/or chronically student and their families: Parent conferences, family counseling, tutoring, and information about existing community services.

After 9 unexcused absences (5% of the last 180 days of school), Freeburg CCSD #70 is obligated to report the student to the Regional Office of Education as truant. All documentation and attendance information from FCCSD #70 will be shared with the ROE and utilized should the student and family proceed to court. Students considered to be Chronic Truants (absences that total 10% or more of school days of the most recent academic school year, including absences with and without valid cause, and out-of-school suspensions) will be required to provide documentation for any absence that they may have until no longer considered a Chronic Truant by the Regional Office of Education. Failure to provide documentation for any absence will be considered unexcused and will receive disciplinary consequence for such. A parent or guardian who knowingly and willfully permits a child to be truant may be convicted of a Class C misdemeanor; the student will be referred to the Truant Officer.

The following steps may be taken:

1. Warning letter
2. Home visit by Truant Officer
3. Meeting with Truancy Board at St. Clair County Courthouse

 - Counseling services by social worker
 - Parent-Teacher conferences
 - Counseling services by psychologists
 - Psychological testing
 - Alternative education programs when recommended by the administration
 - Community agency services for substance abuse, suicide, runaways, and serious family conflict.

In accordance with the School Code of Illinois, no punitive action, including out of school suspensions, expulsions or court action shall be taken against a chronic truant for his/her truancy unless available supportive services and other school resources have been tried.

PROMOTION TO THE NEXT GRADE

School report cards are issued to students on a quarterly basis. For questions regarding grades, please contact the classroom teacher.

The decision to promote a student to the next grade level is based on successful completion of the curriculum, attendance, performance on standardized tests and other testing. MULTI-TIERED SYSTEM OF SUPPORTS (MTSS)

Freeburg CCSD #70 recognizes that all students learn differently. We are committed to helping all students succeed,

academically, socially, behaviorally, and emotionally. The district believes that parents and educators work together as partners utilizing the whole child approach to learning, growth, and development. The district will offer Tier I, Tier II, and Tier III supports and interventions with universal benchmarking periods in the fall, winter, and spring. Ongoing data collection, parent communication throughout the school year, and schoolwide expectations and supports are provided. Whatever I Need (WIN) Team meetings will take place throughout the school year to review collected data, review interventions, and ensure students are making adequate progress.

REPORT CARDS

Report cards are issued following the completion of each nine-week grading period.

In most cases, the letters A, B, C, D, and F are used to report how well your child is doing in various subject areas. S, N, U, and 4, 3, 2, 1, 0 are also used in some grade levels to denote progress. These grades are based on the degree to which your child appears to be realizing his/her potential as it relates to a set standard.

No report card can possibly communicate to the parent everything that the teacher would like to express or everything that the parent would like to know. Conferences can be arranged at any time throughout the year at the initiative of the parents or teachers for an opportunity to discuss the student's progression and give the parent an opportunity to ask questions about their child's progress in school. We urge you to call the office if you would like to talk to the teacher concerning your child so that a conference can be set up. In addition, parent-teacher conferences are scheduled in October for review of your child's progress during the first quarter.

Grades may be verified at any time on the Teacherease portal.

SCHOOL SOCIAL WORKER

A school worker is available for individual conferences and group counseling with students who need information or assistance concerning personal, social, behavioral, or educational. The social worker also maintains student and parent resources on suicide and depression awareness and prevention.

PC- Requests may come from parents via email/phone, teacher, and/or individual student. The social worker will coordinate a time to meet with the student with his/her homeroom teacher.

ES- Requests may come from parents via email/phone, teacher, and/or individual student. The social worker will work with the teacher and student to coordinate a time that best meets the needs of the student in his/her schedule.

Parents are encouraged to visit or contact the counselor when seeking assistance in meeting the needs of their children.

SPEECH AND LANGUAGE SUPPORTS

During the school year, your child's speech and language may be screened as part of the routine school procedures. When the Speech and Language Therapist has completed the screening, a preliminary determination of your child's speech and language will be made. If further evaluation is deemed necessary, parents/guardians will be notified, and a meeting scheduled to discuss screening results. Unless you have notified the school office in writing that you do not wish your child to receive this screening support, he/she may be screened during the school year.

Bullying, intimidation, and (sexual) harassment are not acceptable in any form and will not be tolerated at school or any school-related activity, on school property, on school buses and transportation vehicles or through a school computer, network or other school electronic equipment. The school will protect students against retaliation for reporting incidents of bullying, intimidation, or (sexual) harassment, and will take disciplinary action against any student who participates in such conduct. No person shall harass, intimidate or bully another based upon perceived race, color, nationality, sex, sexual orientation, gender-related identity or expression, ancestry, age, religion, creed, physical or mental disability, gender identity, order of protection status, status as homeless, or actual or potential marital or parental status, including pregnancy, unfavorable discharge from military service, association with a person or group with one or more of the aforementioned actual or perceived characteristic or any other distinguished characteristic. The school and district will not tolerate harassing, intimidating conduct, or bullying whether verbal, physical, or visual, that affects the tangible benefits of education, that unreasonably interferes with a student's educational performance, or that creates an intimidating, hostile, or offensive educational environment. Bullying means any severe or pervasive physical or verbal act or conduct, including

communications made in writing or electronically, directed toward a student that has or can be reasonably predicted to have the effect of: (1) placing the student in reasonable fear of harm to the student's person or property; (2) causing a substantially detrimental effect on the student's physical or mental health; (3) substantially interferes with the student's academic performance; or (4) substantially interferes with the student's ability to participate in or benefit from the services, activities, or privileges provided by the school. School authorities may require a student or his/her parent or guardian to provide a password or other related account information in order to gain access to the student's account or profile on a social networking website if school authorities have reasonable cause to believe that a student's account on a social networking website contains evidence that a student has violated a school disciplinary rule or procedure.

Students who believe they are victims of bullying, intimidation or harassment or have witnessed such activities are encouraged to discuss the matter with their counselor, building principal, or other trusted school personnel. Students may choose to report to a person of the student's same sex. Complaints will be kept confidential to the extent possible given the need to investigate. Students who make good faith complaints will not be disciplined. A reprisal or retaliation against any person who reports an act of bullying is prohibited. A student's act of reprisal or retaliation will be treated as bullying for purposes of determining any consequences or other appropriate remedial actions.

A student will not be punished for reporting bullying or supplying information, even if the school's investigation concludes that no bullying occurred. However, knowingly making a false accusation or providing knowingly false information will be treated as bullying for purposes of determining any consequences or other appropriate remedial actions.

Grounds for disciplinary action apply whenever the student's conduct is reasonably related to school or school activities, including, but not limited to conduct occurring:

- On school grounds or commencing on school grounds, but occurring off school grounds, before, during or after school hours or at any other time the student is participating in or attending a school-related activity

- During periods of Remote/E-Learning

Specific discipline measures and efforts to identify, intervene, and prohibit aggressive behavior will include all staff in reporting and documenting any incidents or reports of aggressive behavior. A conference will be held with involved parties with parent/ guardian notification if aggressive behavior has been exhibited as well as notification of law enforcement officials if deemed appropriate. Additional measures may involve counseling referral (school's or outside), loss or suspensions of privileges, detention, suspensions, and even possible expulsion.

BUS REGULATIONS

The district provides bus transportation to and from school for all students living 1.5 miles or more from the school and/or if the area is deemed hazardous by the state. When students are being transported to and from school on buses, they are as

much a part of the school as though they were on the campus. The rules of good citizenship, conduct and fair play apply. Denial of the privilege of riding the bus may be made only by authority of the superintendent, building principal, or transportation administrator and only with advance notification of the parents unless an emergency situation exists. Students will be removed from the bus if in the judgment of the administration they pose a threat to the safety of themselves or others. In extreme instances, where a long-term or permanent suspension is being considered, the procedure outlined in Section 10-22.6 of The School Code of Illinois shall be followed.

STUDENT BUS ASSIGNMENTS

Freeburg District 70 maintains their own bus contract, including but not limited to employees, buses, and facilities. The bus routes and stops will be based on safety, not on convenience. Therefore, each student will be assigned to **one** bus stop at which a student is to be picked up, and **one** stop at which a student is to be dropped off. **Students are not permitted to ride a bus other than the bus to which they are assigned or use any alternate stop other than the stop in which they are assigned. The district will allow parents/guardians to pick one alternate bus stop to be used on early dismissal days only.** If this bus stop is going to be used on an early dismissal day, it is the parent/guardian's responsibility to notify the school office no later than 9:00 a.m. on the day of dismissal.

In the event a student's living arrangements change, parents may request a permanent change with the school by telephone or in written form. Exceptions must be approved in advance by the building principal and/or superintendent.

For questions regarding school transportation issues, including scheduling bus stops and times contact: **Freeburg District 70 Bus Garage at 618-539-9822.**

BUS RULES AND SAFETY

While students are on the bus, they are under the supervision of the bus driver. In most cases, bus discipline problems can be handled by the bus driver. In the case of a written disciplinary referral, student bus problems will be investigated and handled accordingly by either the building principal or the transportation administrator.

NOTE: If students do not arrive at their designated bus stop on time and miss their bus, it is the responsibility of their parent/guardian to get them to school on time.

In the interest of student's safety and in compliance with State Law, students are also expected to observe the following:

1. Students in grades K-1 must have an adult or authorized individual with them at the bus stop at all times. The authorized individual may be designated on a **Transportation Liability Release** form which be filled out before using school transportation.

10. Talk quietly on the bus. No shouting or creating loud noises that may distract the driver. Tablets, iPods®, iPads®, smart phones, and other electronic devices must be silenced on the bus unless a student uses headphones.

12. If you must cross the street after you get off the bus, wait for the driver's signal and then cross in front of the bus. Cross the street only after checking both ways for traffic.
13. Never run back to the bus, even if you dropped or forgot something.
14. Dress appropriately for the weather.
15. Make sure all drawstrings, ties, straps, etc. on all clothing, backpacks and other items, are shortened or removed to lessen the likelihood of them getting caught in bus doors, railings or aisles.

Teachers and Administration may remove students temporarily from classrooms for violation of the disciplinary code and disruptive behavior. Teachers may use reasonable force as needed to maintain safety. The student will be dealt with according to the seriousness of the offense. It is recommended that teachers attempt to solve the disciplinary problems that arise in their classes; but if a student fails to respond or to cooperate and thus becomes detrimental to the well-being of the rest of the class, the student(s) will be sent to the administration for disciplinary action. If other attempts fail to bring about the desired results, the student may be removed from class, suspended, placed on probation, or expelled as provided in Section 10-22.6 of the School Code of Illinois.

SEARCH AND SEIZURE POLICY

The primary objective of the Board of Education at Freeburg CCSD #70 to maintain the educational environment and protect the health, safety, and welfare of its students. The administration and faculty are charged with the responsibility of meeting this objective and, therefore, may be held negligent if they do not search and seize students or property. A search of a student shall only be conducted when absolutely necessary either for safety reasons or to maintain the orderly administration of the school. Illinois statute permits searches of lockers, desks, parking lots, and other school property

owned or controlled by the school as well as personal effects left in those, places and areas by students without notice or the consent of the student and without a search warrant. The methods used to conduct a proper search and to seize illegal/unjustifiable materials will follow the guidelines established by the United States Supreme Court:

1. Any search shall be reasonable and justified at its inception. Justifiable and reasonable shall mean a school official can describe events or behavior that would cause a reasonable person to believe that an offense has been committed or is being committed by the student whose person or property is targeted for search. A search will be used only to gather information and/or evidence to prove a law or rule has been broken.
2. Any search will be reasonably related to the circumstances leading to the search and not excessively intrusive in light of the age and sex of the student and the nature of the infraction.
3. The student should be present when a search of his/her personal belongings is made. However, circumstances requiring immediate action may make it necessary to conduct such a search without the presence of the student.
4. If a search is deemed necessary, an administrator will be present. Any illegal/unjustified items found in the search shall be listed, the list signed by the student and a receipt given to the student.
5. Under no circumstances will an employee of Freeburg CCSD #70 conduct a strip search of a student.

This section specifically prohibits any exceptions or exemptions.

Student use or possession of any tobacco or nicotine product, vapor device, electronic cigarettes, e-cigarettes, and/or lighters is also prohibited at any school related activity (competitions, school trips, dances, etc.). Any student who violates this policy shall be disciplined by the administration. DETENTION

Detention is a period of time when a student is assigned to stay before, during, or after school for unacceptable behavior. Students are expected to serve detentions on the date and time assigned. If a student has an excused absence from school on the day of an assigned detention, the detention will be assigned for the following regularly scheduled detention day.

Participation in extracurricular activities is not an accepted excuse for missing detention. Students will bring school related materials to study during this time. Detention periods range in minutes according to offense. The severity and frequency of the behavior will be determining factors in the length of administrative assigned detentions.

ISOLATED TIME OUT, TIME OUT, AND PHYSICAL RESTRAINT

Isolated time out, time out, and physical restraint shall only be used if the student's behavior presents an imminent danger of serious physical harm to the student or others, and other less restrictive and intrusive measures were tried and proven ineffective in stopping it. The school may not use isolated time out, time out, or physical restraint as discipline or punishment, convenience for staff, retaliation, as a substitute for appropriate educational or behavioral support, a routine safety matter, or to prevent property damage in the absence of imminent danger of serious physical harm to the student or others. The use of prone restraint is prohibited.

CORPORAL PUNISHMENT

Corporal punishment is illegal and will not be used. Corporal punishment is defined as slapping, paddling, or prolonged maintenance of students in physically painful positions, or intentional infliction of bodily harm. Corporal punishment does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property.

Students will be removed from regular classes and assigned to the ISS for a designated number of days. Students may receive 100% of their earned grade for work completed and turned in to the ISS supervisor on the day(s) they are assigned to In-school Supervision. Failure to complete assigned work while in ISS may result in receiving a "0" for the day's assignment.

ALTERNATIVE CLASSROOM PLACEMENT

For disciplinary reasons students may be assigned to an alternative classroom placement by the administration. The administration will assign the room location and will provide supervision for the student. The student will be under adult supervision for the length of the placement. The student will not be permitted to attend regular classes and will have no contact with other students during the length of the placement. The student will eat lunch in the same assigned location. The student will be responsible for all class work missed and will receive grades for all work turned in. The student will bring books and other work to do while serving the alternative classroom placement.

OUT-OF-SCHOOL SUSPENSIONS

When students are suspended out-of-school, the absence is considered unexcused. However, students will be given the opportunity to make up daily work missed. The work will be available to the student within a reasonable amount of time by the student's teacher(s). The work is due the first day the student is allowed to return to school and at the beginning of the class session for which the work was completed. Any work not completed and turned in will be considered a zero. A student may be suspended when the student's behavior or actions pose a threat to school safety or are a disruption to other students' learning opportunities. This applies when students are at school, on the way to or from school, and are at school sponsored activities. Students will not be allowed to remote into classes while suspended unless required by Illinois law.

Any student suspended will be accorded a re-engagement meeting that will include:

- The building principal or designee shall meet with a student returning to school from an out-of-school suspension to ensure the student's transition following a period of exclusion and shall provide an opportunity for the student to review make-up missed work for equivalent academic credit and determine any necessary supports required for future success.

EXPULSION

Expulsion is the prohibition of a student from attending school during a semester or a school year. Expulsion is the most severe penalty that can be imposed on a student. A student who is expelled will not receive any credit for the semester or school year in which the expulsion occurs. Students guilty of gross disobedience or misconduct may be expelled for a period of time ranging from in excess of ten days to a definite period of time not to exceed 2 school years. (Illinois School Code, section 5/10-22.6)

In expulsion cases, the following procedures shall be used:

1. An expulsion shall occur only after the student and the student's parents/guardians have been afforded the right to a hearing before the Board of Education or a Board appointed hearing officer. The student and the student's parents/guardians shall be notified by certified mail of the reasons for the expulsion and the date, time, and place of the Board hearing.

Any student who has been expelled will be accorded a re-engagement meeting that will include:

- The building principal or designee shall meet with a student returning to school from an expulsion to ensure the student's transition following a period of exclusion and determine any necessary supports required for future success.

SUSPENSION PROCEDURES FOR SPECIAL EDUCATION STUDENTS

The following procedures shall be used in suspension cases involving special education students:

1. Whenever a special education student is suspended out-of-school an excessive number of times, the school district shall hold a relatedness conference to determine whether or not the misconduct is the result of the student's handicapping condition as defined by the Rules and Regulations To Govern the Administration and Operation of Special Education. A case study reevaluation shall be completed and/or updated at the relatedness conference.
2. Such determination shall be made by staff members who are familiar with the student's handicapping condition and educational program in consultation with the staff of the Belleville Area Special Services Cooperative (BASSC) result of the student's handicapping condition, he/she shall not be suspended out-of-school except as provided by section 4 below. In such cases, the student's program shall be reviewed in a conference and, if necessary, altered to reduce or eliminate the misconduct. Parental participation in this process shall be encouraged.

The parents shall be notified of the hearing by certified mail, and the notification shall state the time, place, and purpose of the hearing.
3. Prior to the expulsion of a special education student, the school district shall determine if the misconduct is the result of the student's handicapping condition as defined by the Rules and Regulations to Govern the Administration and Operation of Special Education. Such determination shall be made by the local district staff and with Belleville Area Special Services Cooperative (BASSC) staff familiar with the student's handicapping condition and educational program in a conference with the student's parents/guardians. SPORTSMANSHIP

Freeburg CCSD #70 believes that sportsmanship is a core value and its promotion and practice are essential. One of the missions of co-curricular school activities is to serve as an extension of the classroom. There are strong lessons to be learned in athletics. One of those lessons is to set and maintain high standards of sportsmanship, ethics, and integrity in our schools and our society. It is up to us to provide the direction and constant vigilance under which good sportsmanship can prosper and have a positive impact on our children, the leaders of tomorrow, and ourselves.

We are asking for your support in this effort by emphasizing your sportsmanship at athletic events. After all, such events are an extension of the school day and we should expect the same type of respectful behavior exhibited in athletics as we do in the classroom.

In order to promote sportsmanship at Freeburg CCSD #70, the following procedures will be implemented for spectators that are ejected from any Freeburg CCSD #70 athletic event, home or away.

First Offense – the spectator will be suspended for the next home athletic event within the sport that they were ejected.

Second Offense – the spectator will be suspended for the next five (5) home athletic events within the sport that they were ejected.

Third Offense – the spectator will be suspended from all home athletic events for one calendar year.
